Screen 5 — Accommodation trivia, Question 4

Accommodation trivia
Question 4

This is the **template** for a **question**, a very long and difficult question. Do we need **more** than 4 lines?

A This answer is short

B This answer is one whole line

C This answer is already longer and spans over two lines.

D This is answer A, it's only one line. Another one could be two lines. Three lines really is the max. or we're running out of space.
